

The next meeting of the Highway 52 Coalition will potentially be scheduled in June, 2019.

- In April, Coalition Chair Minto returned to Sacramento and discussed Highway 52 improvement issues with elected leaders.
- In late April Coalition Member Daniel Bickford will attend the first of a series of Community Advisory Committee meetings hosted by Metropolitan Transit System to help guide future transit projects in the region.
- In early May, Coalition Chair Minto, along with the Santee City Manager, will meet with David Turch and Associates in Washington D.C. and discuss the Highway 52 project with elected representatives there.
- Meanwhile, community meetings are being attended at locations all over the region to share the vision of the Highway 52 Coalition and local Stakeholders are reaching out to support the Coalition 's efforts.
